

Announcing the ASNI Monthly Neuroimmunology Seminar Series

The Americas School of Neuroimmunology (ASNI), a regional school of the International Society of Neuroimmunology, is pleased to continue its monthly seminar series on neuroimmunology. The seminars are virtual, at no cost, and will occur on Thursday noon Eastern Time in the 3rd or 4th week of each month. We are committed to delivering cutting edge content by international experts and their trainees across neurological conditions. We are proud to have the confirmed schedule below.

We look forward to your attendance.
